

"Celebrate Success with the Baroness"

A Memorable Start to 2010

It is hard to imagine a better start to a year - a metropolitan winner on New Year's Day, a double at Canberra on 8th January and a treble at the Sapphire Coast the following day. Throw in Paul Jones' first winner on 6th January (see story on page 2) and you get some idea of the impact that Joseph Racing had in early January. As well as **nine** winners for the month, the stable registered **seven** seconds and **four** thirds.

The stable winners for January were:

Onthelookout scored a brilliant win at Randwick on New Year's Day after consecutive placings in the city in December. He then ran a gallant 2nd at Rosehill later in January.

Back To Zero followed a good 2nd in late December with a runaway win in the Class 2 1200 metre Handicap at Canberra.

Catch The Light continued his amazing form by brilliantly winning the Benchmark 65 Handicap over 1200 metres at Canberra, giving the stable a double for the day. After a short let-up, he will be back for the Camarena Handicap on Black Opal Day.

Forever Canny started the following day well at the Sapphire Coast by winning her Maiden in sparkling style.

Just Opposite continued the stable run by scoring his first win in grand style later in the day.

Zassi made it a treble for the day by breezing in to win by two and a half lengths over 1100 metres. She then ran a very good 2nd at Randwick on Australia Day, after looking the winner 50 metres out.

Onaclearday won first-up in the Class 1 Handicap over 1200 metres at Wagga. It is his second win from two starts at Wagga and he certainly enjoys racing down there.

Dancing Gisele won the Benchmark 57 Handicap over 1200 metres at Cowra in very smart time. This was her second win from only six starts and she will now head for the city for another crack at the big-time.

Follow The Command ended the month with a brilliant all-the-way win in the Benchmark 65 Handicap over 1400 metres at Parkes.

Paul's Maiden Winner

In last month's Newsletter, we announced that Paul Jones had been granted his trainer's licence. Well it didn't take Paul long to notch up his first success. With only his third starter, and his first in the city, Paul trained **Universal Boy** to win over 1100 metres first up. Universal Boy is the older half-brother of Onthelookout who won for Barbara at Randwick a few days earlier. Congratulations Paul and may there be many more winners for you.

Get Well, Judy

Judy and Neville at Neville's 70th birthday party last September

One of our favourite owners, Judy Young is in Griffith Hospital and has been in and out of intensive care for a couple of weeks. Judy is the wonderful person who cooks the cakes and desserts for our Wagga and Joseph Racing Day get-togethers. She and Neville are in the Joseph Racing syndicate which races **Fab Cat**. To Judy, Neville and all the family we wish a speedy and full recovery and our thoughts are constantly with you.

New Arrival for the Joseph Racing Stable

During the month, Jason Mick (pictured at right leading in yet another Joseph winner) and his beautiful wife Sue welcomed their new baby girl into the world. Little Georgia Claire was born on the 29th January and weighed in at 6lb 10 oz. From all of us at Joseph Racing, we wish Jason, Sue and their precious little girl every happiness and good health.
